Who are we? Midlands-area individuals who like to party with a purpose and do good deeds while enjoying life in the laid-back lane.

What do we do? Parrot Heads are multi-tasking organisms. We find all occasions to celebrate and we celebrate all occasions. In short, celebrating life and helping others in a unique fashion is what we are all about.

Club activities include twice-monthly happy hour get-togethers, Jimmy Buffett and tropical music concerts, family outings to baseball and hockey games, Carolina Children's Home BBQ Cook-off, St. Patty's Day parade, River Sweep, our annual Fin Fest fundraiser, and MOTM participation. We have some type of activity just about every month to cover all of our members' appetites.

The beneficiaries of our charity work include our adopted Civinette Cabin at Carolina Children's Home, Alzheimers Association, and Toys for Tots. Members also are part of numerous other charitable causes, depending on need.

And, of course, we find a way during all of this activity to have a really good time. So jump on board and *Come Along, Let's Have Some Fun!* Visit us online at www.palmettoparrotheads.com
