

On Saturday, June 14th, 2008 the Palmetto Parrot Head Club will host its **9th Annual Fin Fest** in Columbia, S.C. We anticipate over 300 participants for this event, with net proceeds to benefit the **S.C. Chapter of the Alzheimer's Association**. The tropical sounds of Laidback Larry, The Tsunami Wave Riders, Fin City, Brent Burns, & Sunny Jim will entertain the crowd from 1 pm until midnight at the University House near the University of South Carolina's Williams -Brice Stadium .

The Palmetto Parrot Head Club (PPHC), the local chapter of Parrot Heads in Paradise, is part of a national charitable organization based around the music and lifestyle portrayed in Jimmy Buffett's music. We organize and participate in numerous charity functions each year to raise money and awareness for problems facing the Midlands. Fin Fest is by far our largest and most ambitious charitable undertaking. **That is why your help is so important.**

With the net proceeds from this event benefiting the Alzheimer's Association, we are reaching out to our community for support. While the admission we charge will cover the bands and facility cost, we need sponsors to donate refreshments (food and beverages), door prizes, silent auction items, and other materials. Donations will be listed on our club website. www.palmettoparrotheads.com

As you may be aware, Alzheimer's disease affected Mr. Buffett's father and he commits time and resources every year to make a difference in the lives of those affected. In South Carolina, there are over 50,000 people affected by this disease, with 24,000 of them in the Midlands alone. Your support will help to provide caregivers, support groups, education, and training to those in the Midlands affected by Alzheimer's and related disorders.

Please mail all donations by May 31, 2008 to:
